

It's our 5th Year Anniversary. Thanks to You!

Without valued customers like you, we would not be where we are today: five years old and growing! It's hard to believe that "way" back in 2005, we were that quaint agency known for staffing great parties and providing last-minute replacements in the kitchen. Now we've taken our successful business model to serve pretty much any business where people and food meet -- from conventions to concessions, corporate dining facilities to hospital cafeterias, restaurants to retirement homes.

So thank you for partnering with us and believing in us. We are so excited to continue to exceed your expectations with quality employees, unmatched customer service and an expanded menu of staffing and related services to further meet your needs and help you maximize your profits.

Our New Web Site Has Arrived!

What better time than our 5th Anniversary to reflect on ways we can further improve our communications and interactions with you -- from our emergency phone line for 24/7 access, to a brand new web site that not only looks great, but features more navigation and content enhancements for a better overall user experience. Please check out our new web site and let us know what you think! We look forward to keeping our site fresh and full of resourceful information, so be sure to make us part of your regular surfing routine!
