Placing the right people in

Acrobat Staffing Is Now Acrobat Outsourcing!

New Year. New Name. More Ways To Help You Manage Your Bottom Line.

In 2010 there are two things you can be sure about: Smart decision-makers like you will continue to look for more cost-efficient ways to run your business during a sluggish economy, and - ta-dah! - we have expanded our menu of services to help improve your bottom line even further.

Acrobat Outsourcing (formerly known as Acrobat Staffing) is the only dedicated one-stop-shop solution in the West Coast for front- and back-of-house staffing support and services for the food service, hospitality and related industries. You could say we are the secret sauce to streamlining your operations because we can handle all of your recruiting/hiring needs, as well as time-consuming back-office functions like payroll, menu and customer service consulting services, food/beverage service training and certifications, and more.

Client Highlight

[Roe Restaurant and Prive Lounge](#)

One of our latest additions to the [Acrobat Outsourcing Restaurant Services](#) vertical is Roe Restaurant and Prive Lounge who has consistently utilized our services for all of their special events.

During the last seven years, Roe Restaurant and Prive Lounge has utilized a different staffing company for their corporate and private events. According to Danny Phelan, Director of Events, both staffing companies do a good job, but what separates Acrobat Outsourcing from the other is that "they deliver on specific staffing requests -it's the reason I'm with Acrobat Outsourcing."

Giving Back!

At Acrobat Outsourcing, we happen to have the unique ability to give back by merely contributing what we already do on a daily basis. Throughout 2009, we offered complimentary staff hours to a number of organizations including [The Children's Miracle Network](#), [Glide Memorial](#), [KQED TV & Radio](#), [the Stanford Charity Fashion Show for Doctors without Borders](#), [Academy of Friends](#) and [YMCA San Francisco](#), among many others.

2009 was a challenging year for most and we'd like to encourage our clients, fans and employees to look for ways where making a small effort can mean an unforgettable big difference to many people.
