### More Ways to Connect with You and Share Ideas!

You have heard us talk a lot this year about the focus we have placed on raising the bar in innovative ways to better serve you — from new employee incentive programs to attract and retain top-notch talent, to additional staffing services to further meet your front- and back-of-house needs. But we also realize that one of the best ways we can continue to build a successful partnership with you is to keep you informed and invite your input without demanding a lot of your time. That's where our growing interest in social media comes in.

Whether you "FB", "Tweet", or surf the web, you will find it easier than ever to engage with us and join the conversation — anytime, anywhere.

- Acrobat on **Facebook**: Check out our new and improved fan page. Every week we will post announcements and news that "speak" to you in meaningful ways and let you know what we are up to in the community. It's also a great way to network and share ideas with like-minded professionals and friends.

- Acrobat on **Twitter**: We can't stop Tweeting. Follow us and be followed by us. You never know what might inspire your next great business idea...or killer Friday night dinner recipe.

- New Website Feature Makes Ordering Easier, for **Private and Catering** and for **Corporate**: You can now request a quote for your next order, simply by filling out our brief online request form. We will get back to you within 24 hours to complete your order and line up the perfect staff for your needs.

### **Giving Back:**

### **Glide Memorial!**

The Acrobat Outsourcing team was honored to help serve dinner to the homeless on October 27, 2011 at Glide Memorial Church. Each year Glide Memorial welcomes hundreds of volunteers to help prepare and serve over 5,000 meals. We were grateful to be part of it.

### **Benefit Event at Qualcomm!**

Acrobat Outsourcing was invited to participate as a sponsor in the "Honor our Armed Forces" special event at Qualcomm and the San Diego Army Advisory Council hosted on October 29, 2011. This extraordinary event was a great opportunity for our company to honor and thank men and women in service, and their families.

If you or someone you know could benefit from our staffing services for an upcoming fundraiser or charity event, please email your request to [marketing@acrobatoutsourcing.com](mailto:marketing@acrobatoutsourcing.com) for consideration.
